During the past year, schools have been maintained in town as follows: Spring, three terms, Fall, four terms and Winter, three terms. Five different teachers have been employed in the several schools, with an attendance of sixty-one children.

Schools have been maintained in the different parts of the town where there were children of school age, to the number of four, and to less than that number free transportation has been furnished to the nearest school, thus all children in town of school age, received equal schooling.

We herewith append items of different schools, together with roll of perfect attendance in each.
